

Empowering Advisors to Champion Clients, Win New Prospects

Serve Funding Helps Advisors Solve Business Capital Needs

When your client or prospect needs strategic capital for growth or navigating a pivot, Serve Funding deliver solutions for them in virtually every scenario.

Leveraging our alternative lender network, relationships and industry expertise, we source, negotiate and close the deal and consequently lift up the referring advisor!

Your Reputation Matters

"Every time you make a referral, a part of your reputation goes with it."

We extend your impact as the trusted advisor helping their client solve a critical challenge. We aim to strengthen your standing as a go-to resource for the clients you're already serving.

Lead by Serving, and Solving

We take a servant leadership approach with all our referral partners, clients, and lenders to ensure win-win outcomes.

We are **#HeretoServe**.

Creative Capital Solutions

Working Capital & Bridge

Specializing in short & mid-term working capital loans and LoC's to solve for situational capital needs.

Asset-Based Lending Options

Non-bank asset-based and asset-backed facilities leveraging AR, Inventory, PO, Equipment & CRE.

Subordinated & "Stretch" Capital

For bankable clients with existing facilities needing a short-term infusion behind the bank's position.

Equipment Leasing & Financing

Flexible options for new & existing equipment financing: construction, manufacturing, data centers, & more.

Real Estate Lending

Bridge & long-term financing for all commercial & investment properties: purchase, refi & cash-out options.
